## Serving the needs of the financial community

Business First of Buffalo

Welcome to Who's Who in Banking & Finance, your source for information about the men and women who run banking and financial companies in Western New York. We invited these executives to be part of this issue using our Top 25 Lists as our database. From those lists, we added companies that have a strong presence in the area.

Since participation was voluntary, we included only the information that each executive provided.

We hope you enjoy this personal look at the people who run the area's financial companies.
